Behind these numbers are our neighbors. That’s why we count.

THANK YOU to the over 8,500 volunteers, partners, and community service providers who make the Homeless Count possible
For the first time in 4 years homelessness decreased

Change in Homeless Population
Los Angeles County, 2010 - 2018

38,717 39,414 35,926 39,461 38,089 44,359 46,874 55,048* 53,195

WHY?

• More people are being placed into housing than ever before
• Strategies have been developed, more resources deployed, and we’re starting to see results

*Adjusted estimates resubmitted to HUD
2018 HOMELESS COUNT RESULTS

The LA CoC total number was 50,385, a 4% decrease from 2017. The LA CoC is Los Angeles County excluding Glendale, Pasadena, & Long Beach CoCs.

*LA CoC excludes Glendale, Pasadena, and Long Beach CoCs
**The HMIS data system transition caused a temporary disruption in data collection during 2017, resulting in fewer housing placements recorded in the data system. Researchers Dennis Culhane and Stephen Metraux used an historical statistical model to estimate that the total number of housing placements was 18,223

What’s Working:

✓ Created new supportive and rapid re-housing resources
✓ Expanded landlord incentive programs
✓ Expanded move-in financial assistance

LA’s Plan Moving Forward:

☐ Adding housing location services
☐ Linking affordable housing to the Coordinated Entry System
☐ Launching Shallow Subsidy program
☐ Implementing Year 2 of Proposition HHH and Measure H to create more housing

2018 HOMELESS COUNT RESULTS
Veteran homelessness decreased 18%

Dedicated resources, continued hard work, local leadership

Veteran Homeless Persons
Los Angeles County, 2017 & 2018

What’s Working:
✓ Established a Countywide Veterans Benefit Advocacy Program
✓ Redesigned VA programs to target chronically homeless Veterans
✓ Enhanced direct-service staff collaboration
✓ Coordinated VA housing resources through the Coordinated Entry System

LA’s Plan Moving Forward:
☐ Continuing to strengthen system collaboration between VA and the Coordinated Entry System
☐ Adding 800+ Veteran-specific supportive housing units
☐ Allocating $20 million countywide to house Veterans experiencing mental health issues
☐ Creating countywide Veteran Peer Support Network
Chronic homelessness decreased 16%

Prioritizing our most vulnerable

Chronically Homeless Persons
Los Angeles County, 2017 & 2018

What’s Working:

✓ Focused Coordinated Entry System services for chronic/high-need population
✓ Dedicated half of all HACoLA turnover housing choice vouchers
✓ Streamlined supportive housing process

LA’s Plan Moving Forward:

- Strengthening linkages to medical services
- Reducing housing barriers through legal assistance services
- Implementing Proposition HHH and Measure H resources to create new supportive housing units
Youth housing placements increased 43%

The number of sheltered youth increased 20%

Youth Placed into Housing
LA CoC*, 2015 - 2017

Total Homeless Youth Population
Los Angeles County, 2017 & 2018

What’s Working:
✓ Created 276 new youth interim housing beds
✓ Launched youth family reconnection program
✓ Added 196 rapid re-housing slots dedicated for youth

LA's Plan Moving Forward:
☐ Enhancing youth drop-in centers
☐ Adding 350 new interim housing beds dedicated for youth
☐ Adding 129 supportive housing units dedicated for youth

*LA CoC excludes Glendale, Pasadena, and Long Beach CoCs

However, the economic factors driving people into homelessness persist.
Los Angeles has a growing affordable housing crisis

Los Angeles County needs over 565,000 new affordable housing units for low income renters—16,000 more than the previous year

Since 2000, median rent in Los Angeles County has increased 32% while median renter household income has decreased 3%*

Los Angeles County has the highest poverty rate across all counties in the state at nearly 25%**

When accounting for housing costs and cost-of-living, California has the highest poverty rate in the country at over 20%***

Current Strategies:
- Expanded family homelessness prevention services
- Launched youth and adult prevention services
- Targeted services to people exiting jails, foster care, and hospitals who would otherwise become homeless
- Supporting the development and preservation of affordable housing

LA’s Plan Moving Forward:
- Launching prevention pilot in a high-eviction neighborhood
- Expanding services for people at-risk of experiencing homelessness
- Creating new affordable housing

*LA CoC excludes Glendale, Pasadena, and Long Beach CoCs

Current Strategies:
✓ Doubled the amount of outreach workers to 500
✓ Implemented a holistic outreach strategy

LA’s Plan Moving Forward:
☐ Launching Centralized Outreach Referral Portal
☐ Adding more outreach workers
☐ Adding 3,250 interim housing units
☐ Expanding use of technology and data
